# VISION

The vision of the Aboriginal Carbon Foundation is to catalyse life-changing, community prosperity through carbon farming.

In doing this our aim is to build wealth for Traditional Owners and non-Aboriginal carbon farmers implementing carbon projects that demonstrate environmental, social and cultural core benefits.

# TRAINED AND QUALIFIED RANGERS

Waanyi Garawa and Garawa, Wardaman and Malak Malak rangers in the Carbon Farming and Core Benefits Management (10722 NAT) training course

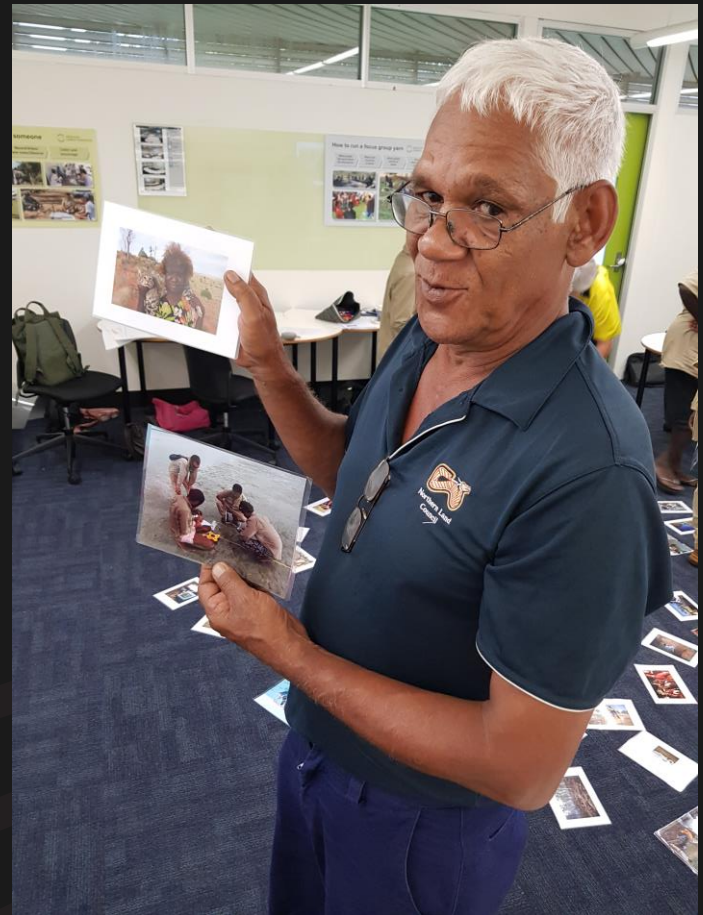

# KOWANYAMA VERIFICATION

# STRENGTH BASED APPROACH

- Mapping of human, environmental, infrastructural, social and economical assets
- “Start with what we know, build with what we have”
- “Everyone has something to contribute”
- “Nobody has nothing”

# CO-BENEFITS IDENTIFICATION

Traditional Owners and rangers deciding which environmental, social and cultural Co-Benefits are most important.

# VOLUNTARY CARBON MARKET

- Premium price
- Value environmental, social, economic and cultural co-benefits
- Income from meaningful work as verifiers
- Respect and recognition
- Travel and adventure
- Peer to Peer working together experiencing other communities and country
- Nationally accredited qualification in carbon farming
- Annual Verifiers' meetings
